

# Adventure begins at the library!

**Waverly Free Library is pleased to announce several self-paced summer activities for families to participate in.**

**Library Bird Watch** – Stop by the library and pick up a birding checklist to locate our bird pictures hidden throughout the library. There are 15 photos placed throughout the library. Each photo includes a QR code that links you to Cornell’s website for more information about that bird. Be sure to browse our bird books collection and our display on bird books and check one out today!

**Hot Air Balloon Scavenger Hunt** – Stop by the library to locate 9 hot air balloons hidden in the children’s and junior sections of the library. Each balloon has a letter on the basket; once you find all 9, unscramble the letters to spell a secret word. \*Please leave balloons where they are located so the next family can

**Smokey Bear Reading Challenge** – Pick up a copy of the Smokey Bear reading challenge from the front desk and complete as many tasks as you wish. Bring your completed form into the library, and staff will stamp your certificate of

**Cross Country Journey** – Let’s read across the United States! We encourage all ages to participate in our cross country trip. The goal is for patrons to read a book set in all 50 states. Once you have read your book, let staff know, and your book will be added to our state mural, displayed between the YA and children’s sections.

**Reading Challenge** – When you sign up for summer reading, your name on a hot air balloon, displayed in the children’s room. For every log turned in, place a sticker on your balloon’s basket. Use the BINGO game to inspire some of the books you read. If you complete a BINGO, turn in your log for a token to the vending machine. \*One BINGO per person.
