In celebration of Pride Month, we have curated a collection of books from various genres and representations.

Displays are such a fun way to encourage reading on specific topics. This month, make sure you check out our displays on Juneteenth, the Holocaust (in celebration of Anne Frank's birthday) and Pride! Keep watch for a display on nature photography, Midsummer/Litha, and international fairy day.

# **Looking Back: May & Beyond**

The library celebrated National
Poetry Month in April by
hosting a contest. We were
amazed at the amount of
talented writers we have
within our community. In May,
we announced our winners
(pictured left).

Don't miss Tabling Events at the library! Chat with representatives from local community organizations, including Aspire Hope NY INC, Tioga PACT, and NYS Office for People with Developmental Disabilities (pictured right).

Local author, Kathleen Huddle
(pictured left), graciously donated a
copy of her recent book, <u>Secret</u>

<u>Famous Artist Joe Mullen.</u> Thank you,
Kathleen! This book is available for
checkout and can be found in our
Local Author section.

### **Library History Fact of the Month**

The library was founded in 1929 by the American Association of University Women. Its original location was the NPL (National Protective Legion) building, which also hosted the post office. Local carpenter Bernard Compton built our first shelves.
